NOTICE

Dear Students

Institute is in the process of forming the Students' Council for the forthcoming year 2022-23. Institute is pleased to invite applications for the different posts, as listed below, of the Students' Council 2022-23.

SENIOR COUNCIL (10)	JUNIOR COUNCIL (12)
General Secretary Cultural Secretary Technical Secretary (including IIC/NISP) Boys Sports Secretary Girls Sports Secretary Editorial Secretary PR Head Marketing Head Design Head Media Head	SE Representative (3 Posts Boys + 3 Posts Girls) Design In-charge (Two Posts) Documentation In-charge (Two Posts) Webmaster (Two Posts)

The application must include:

1. Covering Letter
2. Resume (must reflect leadership skills)
3. Statement of Purpose (separate SOP for each post applied)

Please Note:

- Students can apply for maximum 3 posts
- Students applying for Design Head, Design In-charge and Media In-charge posts must include a small portfolio of their work in the form of Zipped Files in the Email

Please send in a soft copy of your application to Email-ID : crce@frcrce.ac.in and cc to : studentscouncilfrcrce21@gmail.com

Last date for submitting applications is 16th July 2022 11.59pm.

For any queries/clarifications, you may contact

- Student Council :
Taransingh Rajpal: taranrajpal11@gmail.com,+919082343049
Nicole Dias: nicole.dias210@gmail.com+91 8779460422
- Student Affairs In-Charge :
Dr. V. S. Bilolikar: bilolikar@frcrce.ac.in

(DR. S. S. RATHOD)

Representation of Students on Academic Committees:

1. Student Chapters are established for professional bodies such as, CSI, ECell, Mozilla, Codelabs, IEEE, WIE, ASME, SAE, TEDx. They conduct activities such as Expert lectures, Industrial visits.
2. Project Teams: The institute has formed different project teams like Project Cell, Robocon, Vaayushastra, CFR to participate in different competition at national and international level.
3. Social Clubs: NSS and Rotaract club organizes different events like Blood donation camp, yoga Day, Marathon, Green Hands Project, NGO Sessions to sensitize students towards societal issues and community services.

IEEE: Institute of Electrical and Electronics Engineering

The FRCRCE Student Branch of IEEE was established in 1995. The main idea behind establishing a Student Branch was to involve students in the activities of the IEEE-Bombay Chapter. The students are constantly encouraged to arrange their own activities like quiz contests, debates and workshops. Students are motivated to use the journals, magazines provided by IEEE to become acquainted with the industry, which is not provided by the University syllabus. This greatly helps students when they enter the industry as professionals and they can adjust to their new environment very easily.

WIE: Women in Engineering

WIE-CRCE is an affinity group of IEEE which is the world's leading professional association for the advancement of technology. WIE membership is available free of cost for IEEE members, especially women student. The mission of WIE is to inspire, engage, encourage, and empower IEEE women worldwide. WIE-CRCE aims to inculcate the importance and advancements related to technology and social issues to women to make them whole as an individual with a firm technical background. Helping students adapt to technological aspects of modern world and being in power with any other professional is our objective. This chapter organizes the talk of eminent personalities from various fields to celebrate Women's day. WIE envisions a vibrant community of IEEE women and men collectively using their diverse talents to innovate for the benefit of humanity.

List of WIE council members 2022-23

Sr. No	Name of the student	Post	Class

13.	Nivedita Kokane	SE Representative	SE ECS

List of Activities conducted in year 2022-23

Sr. No	Activity/ event	Description	Speaker/Judge details	Date/ Duration	No. of students participated
1.	CRCE Ingenium	The event aimed to foster innovation among students by challenging them to devise creative solutions for everyday problems. Participants were then presented with a problem statement: "Design/Make an Assistive	1. MR. SAURABH KORGAONKAR (Assistant Professor in	15th September 2022 01:30 PM - 05:00 PM	52

		Technology to Help Individuals with Different Types of Disabilities - From Cognitive Problems to Physical Impairment." Teams had 90 minutes to develop their solutions, which were later judged based on criteria such as innovativeness, originality, usefulness, and technical compatibility. Overall, the event provided a platform for students to showcase their problem-solving skills and innovative thinking.	dept of Mechanics) 2. MR. VAIBHAV GODBOLE (Assistant Professor in dept of ECS) 3. MS. KALPANA DEORUKHKAR (Assistant Professor in dept of computers Ph.D. Computer (Pursuing))		
2.	Women Leaders In StartUp	The primary objective of the seminar was to educate students about the process of establishing a startup from the ground up and inspire them to believe in their ideas and actively work towards building a company. Mrs. Jyoti, the founder of TeaFit, shared her entrepreneurial journey, emphasizing her appearance on Shark Tank and the motivation behind starting TeaFit. The informative session aimed to equip students with valuable insights into the startup ecosystem and encourage their entrepreneurial aspirations.  	MRS. JYOTI BHARADWAJ (Founder TeaFit)	22nd September 2022 2.30PM - 3.30PM	130

3.	Transylvania	The event was a fundraising initiative called Synergy. The main attraction of the event was the game, "CRCE Transylvania," where teams of three members each were blindfolded and placed in a locked room. Their challenge was to escape within a tight 12-minute timeframe. The team with the shortest escape time was declared the winner. The event not only provided an exciting and challenging experience for participants but also contributed to fundraising efforts for WIE CRCE.	-	21st October 2022 9:00AM - 5:00PM	96
4.	Understanding the Phases of Startup	The speaker discussed the three key stages of a startup: ideation, growth, and expansion. The offline event at the college received an appreciable response from students. The speaker emphasized the diverse activities undertaken by startups in each stage, highlighting the importance of minimizing the time taken to progress from one stage to another. Furthermore, she provided insights on nurturing ideas and transforming them into successful startups. The event aimed to provide valuable knowledge and guidance on the entrepreneurial journey.	PROF. PRAJAKTA BHANGALE (Assistant Professor in Department of ECS)	27th January 2023 10:00AM - 11:00AM  	30

5.	Industrial Visit to Sify Technologies	An industrial visit to Sify Technologies took place where the goal was to provide students with real-world exposure to the operations of Sify Technologies, an Indian ICT company. Activities included security briefings, a presentation on the company's profile and projects, a tour of the data center, and explanations of safety protocols and power generation. Students gave positive feedback, noting the valuable insights gained, especially in the realm of cloud computing. The visit was praised for bridging the gap between theory and practice, offering participants a practical understanding of organizational operations.	-	17th February 2023	4 students 4 teachers
6.	Womens Day Celebration	On the occasion of Women's Day, an insightful Mental Health Awareness session was organized for both students and teachers. The session aimed to address the significance of mental well-being and promote an open dialogue about mental health challenges that women may face. The event provided a platform for participants to engage in discussions, share experiences, and gain valuable insights on managing mental health effectively. To further support women's health and hygiene, at the conclusion of the session, students were thoughtfully provided with essential items, including sanitary napkins. This initiative not only raised awareness about mental health but also demonstrated a	MS. FALAK (Senior Consultant Psychologist Amaha Foundation)	8th March 2023 10:00AM - 1:00PM 	20 teaches 60 students

		commitment to the overall health and dignity of women in the community.			
7.	Prakalp-2k23	The project competition provided students a platform to showcase their engineering projects in hardware and software categories. The event consisted of two rounds, with the first round conducted online, shortlisting 60 teams for the second round based on their project abstracts. The competition took place on-site, with hardware and software teams allotted labs on different floors. Judges, including faculty members and the principal, evaluated projects on aspects like future scope and business aspects.. The event received positive feedback, with participants appreciating the engaging experience, though some suggested improvements in time management and consideration of research-based projects by judges. Overall, the event successfully showcased innovative solutions and fostered interaction between participants and faculty members, contributing to a vibrant and enriching experience for all involved.	Hardware category 1.PROF VIVEK NAR 2.DR PRASHANT KASAMBE 3.DR DEEPAK BHOIR Software category 1.DR PRASENJIT BHAVATHA NKAR 2.DR RAHUL KHOKALE 3.PROF MERLY THOMAS	10th March 2023 9:00AM - 04:30PM	60 teams with 3 to 4 members

CSI: Computer Society of India

The CSI Student Chapter at Fr. Conceicao Rodrigues College of Engineering, founded in October 2010, is dedicated to fostering technical excellence through workshops, competitions, symposiums, and guestlectures for our students. We provide a nurturing environment for students to excel in technology. Established in 1965, the Computer Society of India (CSI) is India's largest association of computer professionals, boasting 72 chapters, 512 student branches, and over 110,000 members nationwide. CSI is a non-profit organization that serves as a platform for professionals to exchange ideas, share knowledge, and collectively advance computer engineering, technology systems, science, and information processing across India.

3) CSI Fear Fair(Synergy):Non technical competition which had three rounds Whisper Challenge, Sling Shootout and Sequence Cup.

Pruthi

4) **Code-o-fiesta** : The 'Code-o-fiesta' event at Crescendo 2k23, organized by the council, featured two rounds, an online qualifying round on Kahoot and a Coding Game

5) Breaking the Binary- Seminar on Problem Solving and Competitive Programming by Mr. Sudheer Tripathi

TEDx -CRCE

TEDxCRCE allows our stage to host personalities who have sheer passion to have an impact on our society be it political, social, technological or cultural. The speakers share their belief in their ideas which allow them to move the masses, the extent of their success and the evolution / termination of their ideas in due course due to the constant changes taking place worldwide. In addition to this, this chapter organizes technical activities like Internship expo and resumes building session. Further the council is also involved in various events related to social work through Community Services like Volunteering drive, Food Rescue Operation.

A circular blue ink stamp is located below the signature. The text inside the stamp reads: "RODRIGUES COLLEGE OF ENGINEERING" around the top edge, "ASHRAMANDRA" in the center, and "MUMBAI-50" at the bottom. There are small stars on either side of the center text.

E-Cell

Description of Chapter:

The Entrepreneurship Cell (E-Cell) firmly stands with the official motto of college which is - Moulding Engineers Who Can Build Nations. And in this ever changing world, engineers are essential and so are entrepreneurs. E-cell believes in creating and fostering entrepreneurial culture among budding engineers by identifying, training and motivating students to become entrepreneurs. And we shall strive relentlessly towards it.

CodeLabs – CRCE

CodeLabs CRCE is one of the best technical councils of our college. We are a coding centric council that aims to train our engineering students in order to tackle real world problems. Our Council helps students get better at programming through organizing coding contests and hackathons. It is majorly aimed at promoting the interdisciplinary nature of coding amongst students, irrespective of their field. We organize various events for the same on intra and inter college level as well as national level.

IIIE CRCE

The Institution of Industrial Engineers (IIIE) CouncilxCRCE is a student organization at Fr. Conceicao Rodrigues College of Engineering that aims to promote and advance the field of industrial engineering. The council is run by a team of dedicated student volunteers who work together to organize various events, activities, Industrial visits and seminars that enhance the learning experience and professional development of the students. Through the council's efforts, students can build connections with professionals in the industry, gain practical experience through events, and develop leadership skills that will serve them well throughout their careers. Overall, the IIIEExCRCE helps in preparing the students for success in their future.

ASME CRCE Organized A Game For Crescendo

Event Name: Maze Tandem

Date: March 8, 2022

Location: The Old Canteen and Room No.: 402

The event consisted of two rounds, the hydraulic maze and the assembler. Firstly, the participants were given a hydraulically operated maze and had to solve it within 5 mins. It was a time-based event. The top 9 participants were qualified for the next round. Next, the participants were required to disassemble the model followed by a quiz (The quiz consisted of a single question). The participants who answered correctly were eligible to proceed to the subsequent round, assembling a disassembled model. Those who were unable to do so were forfeited from the round. However, the forfeit would be compromised if the team players were willing to undergo another challenge. Failure to complete the challenge would result in an additional forfeit.

Round 1 – Hydraulic Maze

Round 2 – Assembler

ASME CRCE Organized “Slytherin Pirates” For Synergy

Event Name: Slytherin Pirates

Date: 21th October 2022

Time: 11 am to 5 pm

Venue: Samvaad Hall

The American Society of Mechanical Engineers’ Council of Fr. Conceicao Rodrigues College of Engineering (ASME CRCE) organised an event namely “Slytherin Pirates” for the students for Synergy on the 21st of October 2022. There were two rounds in the competition. Round 1 started at 12 am to 2:30 pm & Round 2 started at 3:00 pm to 5:00 pm, which was a team event. A total of 7 teams participated in this event, with four students per team.

Synergy was inaugurated at 9 am in the Samvaad Hall. The respected Principal of the college gave the inauguration speech. He stated “Synergy means synchronisation.” and went on to explain the importance of synergy to the attendees.

Round 1 of Slytherin Pirates

Winners:

A team from B.E. Computers-A won the 1st prize and a Cash Prize of Rs. 1000.

A team from B.E. Mechanical won the 2nd prize and a Cash Prize of Rs. 550.

ASME CRCE Organized A Seminar On “Supply Chain 4.0”

Seminar Name: Supply Chain 4.0

Date: 15th February 2023**Time:**

11:30 am to 1 pm **Venue:**

Seminar Hall

The American Society of Mechanical Engineers’ Council of Fr. Conceicao Rodrigues College of Engineering (ASME CRCE) organised a seminar on “Supply Chain 4.0” for the students on the 15th of February 2023 at Seminar Hall from 11:30 am to 1 pm. The speaker for this seminar was Mr Sujit Khakale. He is the Senior Manager of the Supply Chain at Galaxy Surfactants Limited.

Dr. S. S. Sudhakar, Prof. M. V. B. Rao from the Mechanical Department of the College, the College Principal and students from the Mechanical Department were present. Around 50 participants attended this seminar. The speaker was presented with a bouquet by the Principal.

Mr. Sujit Khakale

The speaker, Mr Sujit Khakale is the Senior Manager of the Supply Chain at Galaxy Surfactants Limited. He has more than 25 years of work experience in the field of Supply chain and Production. He has worked in industries like Pharma, Chemical & Manufacturing and set up Factories & Warehouses for companies like V Logis, Parekh Integrated Services Private Limited, D-Mart, Rich Graviss Private Limited, etc.

Seminar started at 11:40 am. The introduction speech was given by the Jr. Documentation head of ASME Lynn Dsa. Subsequently, the Principal was asked to enlighten the students with a few words. The speaker was then addressed to commence the session.

Mr Sujit began the seminar by explaining how to define a goal. He then explained the Input-Process-Output journey of a product. He then started to explain the basics of Supply Chain Management and then went on to speak about Supply Chain 4.0 and its use in the industry. He also gave the students an insight into the scope of this field in the future. The speaker effectively conveyed all the points on the topic through flowcharts and diagrams and made the session interactive and interesting by giving real-life examples.

Mr Sujit went on to describe the rapidly developing technological advancements in this industry such as cloud computing, cybersecurity, Artificial Intelligence, etc. Along with this, he weighed the pros and cons that would be faced by humankind with such achievements. The students were briefed about the whole process involved in Supply Chain alongside the secondary fields that are required in order that the process be carried out seamlessly.

The session concluded with a question-and-answer session, in which the students as well as the teachers participated actively. The seminar ended at 12:45 pm. The VCP of ASME Shaunak Aital delivered a thanksgiving speech. A letter of gratitude and a thank-you gift was presented on behalf of the council. This was followed by a vote of thanks given by the council head.

Sujit Khakale

ASME CRCE Organized A Live Podcast On “Engineering, theTESLA Experience”

Date: 1st Aril, 2023

Venue: Google Meet

The American Society of Mechanical Engineers’ Council of Fr. Conceicao Rodrigues College of Engineering (ASME CRCE) conducted a live podcast with Mr. Jeet Gupta. He is currently working as a Mechanical Design Engineer Intern at TESLA. He has done his undergrad from VIT (Vellore) in Mechanical Engineering and is now an M.S. student of Mechanical Engineering at Purdue University, USA. He has secured two internships at TESLA so far.

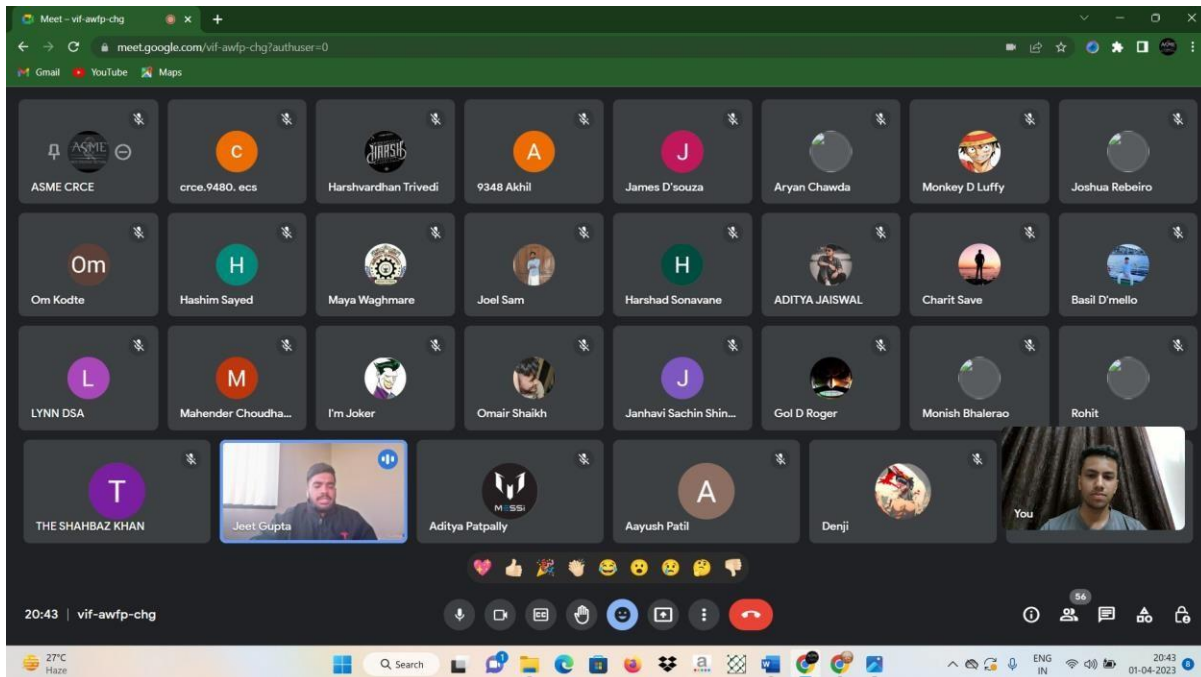

Mr. Jeet Gupta

The session was quite insightful and thought provoking. The future of car designing, electric vehicles, jobs for car designers and essential aspects to know about cars. He also touched

upon topics like the importance of studying mechanics and using it when working with cars, how to look and apply for the right internships, essential books to read and what to consider when planning to study abroad. He also described the work culture and intern life at TESLA.

A screenshot of the attendees for this event

Jeet Gupta

The session ended with a questionnaire from the participants. The participants were very enthusiastic and actively participated. In this session, many questions were asked about pursuing an ambitious and fruitful career in Mechanical Engineering and the scope and future of car design and electric vehicles.

A thank you message was given by Mr. Shaunak Aital, and the session was concluded. It was a huge success with a large number of attendees.

ASME CRCE Conducted A Webinar on “F1 Motor Sport”

Date: 12th April 2023

Location: Youtube

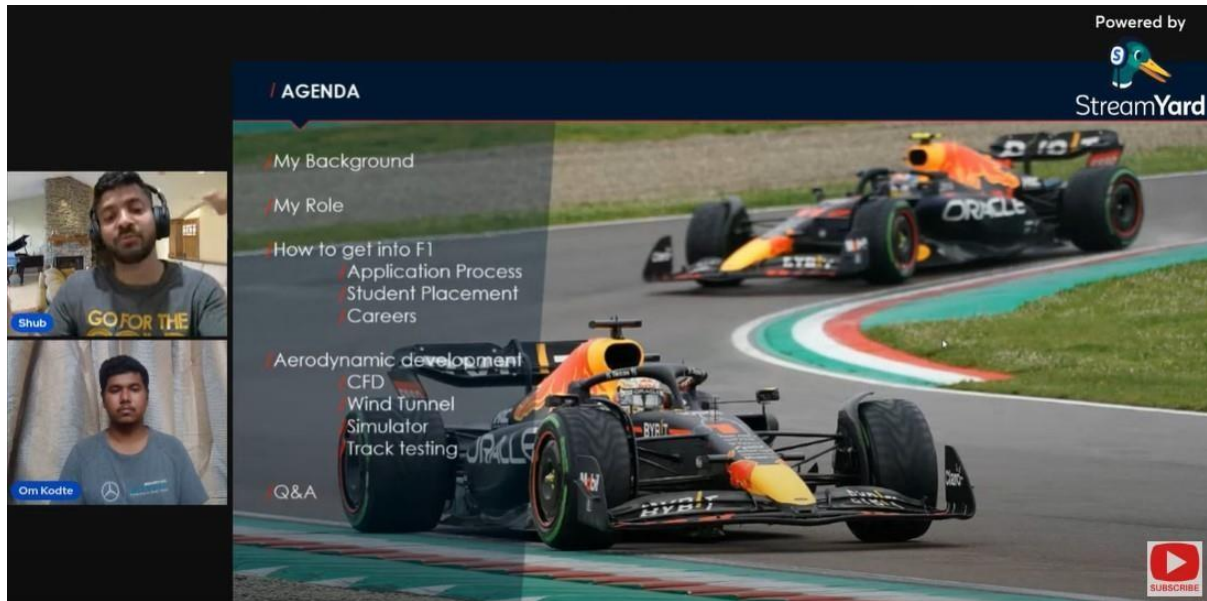

The American Society of Mechanical Engineers’ Council of Fr. Conceicao Rodrigues College of Engineering (ASME CRCE) organised a webinar on F1 motorsport with Mr. Shubham Sangodkar. He is an ex-Aerodynamicist from Red Bull Racing.

In this session, the following points were covered:

- Mr. Shubham’s journey from India to F1 and the lessons he learnt alongside the 13 years of his journey.
- The Aerodynamic Design cycle at an F1 team: From finding loopholes in the regulations to CFD, Wind Tunnel and Track Testing.

- The different roles and opportunities available at an F1 team for graduates and what the teams expect.

Pruthi

A circular blue stamp with the text "P. VSAEL WASHIRAM PANDRA MUMBAI-50" in the center and "P.D. CONFERENTIAL RODRIGUES COLLEGE OF ENGINEERING" around the perimeter.

PROJECT TEAMS

The institute has project teams like Abadha, Robocon, Vaayushastra and CRCE Formula Racing that participate in prestigious engineering competitions at national and international level. They have secured good positions in these competitions.

Project - cell

This cell has been established in the year 2015. The team of 10 – 12 students, from different branches, works for this cell. The cell provides support for mini-project as well as B.E projects. This cell also arranges workshops on latest technologies for the students.

The cell is also mentored by our Ex-students from industry, with whom regular meetings has been arranged, in order to keep the cell members updated on latest trends of technologies in industry. The cell members provide training to their juniors on different

technologies such as Embedded System, Robotics etc. The team members from the cell take part in the project competition conducted by e-Yantra, an initiative by IIT, Bombay and supported by MHRD. **This is the third consecutive year where projects developed by project cell team members got best project award in different categories at e-Yantra.** These projects were selected among 300+ projects, from different regions of India.

Robocon

We are a group of robotics enthusiasts from diverse engineering backgrounds who constantly strive to solve relevant, real-world problems using Artificial Intelligence and robotics mechanisms. With each competition that we take part in, we try to innovate something in the world of robotics. Our team comprises Computer, Electronics and Mechanical subsystems which work in tandem to build working, usable bots.

TEAM VAAYUSHAstra

Team Vaayushastra is a student Aero Design and Modeling Team, established in year 2012 by passionate aviation aficionado's to represent Fr. Conceicao Rodrigues College of Engineering in prestigious Society of Automotive Engineers (SAE) Aero Design Competition, USA. Since that year, team vaayushastra has annually participated in SAE Aero Design Competition under advance class. Success is defined by consistency, and our unwavering dedication to achieving it has resulted in exceptional results. We have been ranked top 3 in Asia Pacific Region and among top 10 globally, where 75+ international teams participate. Annually we are given a real-worlds problem statement and specifications from the organization, considering which we are required to design and manufacture our aircraft.

Competition 2024: SAE AERODESIGN EAST

Venue : LAKELAND, FLORIDA

Team Rank :

- 11th Globally
- 10th Design Report
- 11th Presentation

Problem Statement 2023 : Design a suite of systems to support the flight against wildfires through the delivery of water and parts for ground vehicle.

Prototypes required to be made :

1. Primary Aircraft 2. Powered Autonomous Delivery Aircraft 3. Ground Transport Vehicle

Specifications for Advance Class Aircraft:

- 120 inches wingspan
- Max weight 55 pounds
- 2.4GHz Radio System
- LiPo or LiFe battery

Our team comprises of three departments:

1. **Design and Manufacturing :** This department handles the design, modelling simulation & fabrication of the aircraft. The team uses various software to perfectly design the aircraft, Solidworks to design, XFLR5 to check the stability, and Ansys to check for any deformation that might occur due to external forces and elements. Once the design is done, the department

proceeds with inhouse manufacturing of the aircraft, which includes various processes such as 3D Printing, Laser Cutting, Foam Cutting, Working with composite materials, etc.

2. **Avionics**: This department deals with and builds the complete electronics of the aircraft, directs manipulation of graphical elements, visual indicators. Furthermore, this department is categorized into two sub-groups Data Acquisition System (DAS) and Autonomous Control System (ACS). DAS manages the flight of the aircraft, programs the microcontrollers. ACS deals with the strategies and approach of landing, navigation and automation.
3. **Media and Marketing** : This division works to promote team effectively to its target audience and market. The formulation of marketing strategy is influenced by this information. Department works in extending the team's social media reach, building positive public relations and finding sponsorships for the funding of the team.

Our technical team is a great platform where students can implement their theoretical knowledge to practical real-world problems, and enhance their technical, non-technical and soft-skills. Our team comprises students from Mechanical, Computer Science, Artificial Intelligence and Data Science, and Electronics and Computer Science Engineering streams.

With our team motto "Dream, Build, Fly" and our unwavering dedication, enthusiasm and hard-work to translate into a track record of reliable, high-quality outcomes, we have constantly met and exceeded our goals, demonstrating that when we commit to delivering our best, we can achieve excellence and place our country and college to new heights.

Team CRCE Formula Racing Electric

Purpose of the CFR Team:

CRCE Formula Racing Electric, India is Fr. Conceicao Rodrigues College of Engineering's Formula SAE Team. A mutual passion for automobiles and a zeal to learn formed the essence of CRCE Formula Racing in 2016. More than 40+ students from various engineering disciplines make up the team. Filled with a passion for motorsports and an insatiable hunger to learn, we students design and fabricate an open-cockpit single-seater prototype formula-style race car right from scratch. The car is then taken to several Formula Student competitions across the globe where its true calibre is evaluated against many other teams from around the world. We are bound together by our shared passion for automobiles, motorsports and our competitive spirits. As budding engineers our sole purpose is to build and learn as we advance ahead. Honing theoretical knowledge and applying it practically, our team members have gained practical knowledge and developed a critical thinking, every member of Team CFR also gains excellent knowledge of team building, overcoming collaborative challenges and at the same time have a strong grasp on time management and leadership roles. We believe true growth takes place only outside of your comfort zone and as we know rolling stones gather no moss. Keeping that philosophy in mind and hustling towards it every day, TEAM CFR has taken the next leap in its story by permanently shifting towards building full-fledged electric racecars.

List of Activities conducted in year 2022-23

Sr. No	Activity/event	Description	Speaker/Judge details OR any other relevant details	Date/ Duration	No. of students participated
1.	Formula Bharat 2023	Formula Bharat is an Indian Formula Student-style engineering design competition in which students from colleges and universities all over the country, compete with a life-size formula-style vehicle in areas of engineering design, overall cost, marketability and dynamic performance. The series replicates the global student Formula series hosted in around 11 countries per year.	This event was sponsored by Brose, Ather, Harman Automotive, Exponent, Redbull, Bosch, Zuken, MathWorks, DigiKey and many more.	19 th January – 24 th January 2023	39
2.	Formula Imperial 2023	The purpose of this competition is to encourage students to gain hands-on practical experience, while applying engineering theories studied in the classroom. In addition, students learn the art of management and teamwork, which are essential skills required in the 'real-world'. The challenge to the student team is to design and fabricate a prototype vehicle that best meets the goals and intents as stated per the Rules Book . Over the course of a five day competition, a jury of experts from the motorsport, automotive and supplier industries judge the design, cost and business planning of all the teams to determine the best team and vehicle.	This event was sponsored by JK tyres, Bosch, Easemytrip, Altair, Briggs & Straton, Ansys and many more.	12 th October – 16 th October 2023	15

3.	Pi-EV 2023 (Formula Bharat)	The purpose of the FSEV Concept Challenge, "Pi-EV 2022", is to provide teams with an opportunity to conceptualize and design a Formula Student Electric Vehicle Powertrain Package which meets the Formula Bharat 2023 Rules booklet technical guidelines.	This event was sponsored by Ather.	1 st July – 7 th July 2022	10

ROTARACT CLUB OF FRCRCE

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to society. Rotaract Club of Fr. CRCE organized many major events with participation from people from outside Campus and our students . Events were scheduled in odd and even semester like, Cleanliness Drive, Treks, Marathon , awareness programs and many more to help and to raise the fund for charity. The Club has always upheld its ultimate goal of contributing towards society. For this very purpose, the Club had organized Community Events like 'Marathon-Sole Run 2023 and beach cleanup in collaboration with Rotary Club of Bombay Bandra

World Environment Day

Date	29 July 2022
Location	online
Hrs. allotted	1 Hour
No. of participants	91

NSSxCRCE Organized this event as June 5 is marked as World Environment Day with a theme 'Only One Earth', focussing on 'Living Sustainably in Harmony with Nature'. The event began at 4:30 pm with Ketaki Sarode welcoming the students. Then she spoke about the importance of World Environment Day and the significance of celebrating this event. A very informative documentary related to the current changes in our environment was shown to the students.

Ketaki Sarode

Fire Safety Poster Competition

Date	12 August 2022
Location	Fr. Conceição Rodrigues College of Engineering
Hrs. allotted	3 Hours
No. of participants	5

[Handwritten Signature]

Blood Donation with Tata Hospital

Date	11th August 2022
Location	Fr. Conceição Rodrigues College of Engineering
Hrs. allotted	5 hours
No. of participants	53

On the Auspicious day of Raksha Bandhan, our NSS unit organized a blood donation camp in collaboration with the Department of Transfusion Medicine of Tata Memorial Hospital. In this Blood Donation Drive, 50 units of blood were donated by students and staff members of our college.

Webinar on Carbon Footprint Calculations

Date	20th August 2022
Location	Online
Hrs. allotted	3 hours
No. of participants	87
Speaker	Sunita

NSSxCRCE organised this event with OnlyPlanet on 25th of August to focus on making our day-to-day life more sustainable with the Earth system by attempting to reduce our and society's use of Earth's natural resources, and one's personal resources.

Handwritten signature

Swatcha Sagar Surakshit Sagar Seminar by ICG

Date	26th August 2022
Location	Samvaad Hall
Hrs. allotted	4 Hours
No. of participants	34
Speaker	Navy Officer Commandant Akashdeep Singh

This event was conducted by the Green Society. By this seminar we got information how we can manage the plastic wastes using three R mantras i.e. Reduce-Reuse-Recycle. speaker Mr. Akshadeep Singh told us about how Indian Coast Guards are helping our country and all Indian Defense forces by patrolling, Stopping smuggling by sea routes. Cleaning the coasts of India etc. He also encouraged us for joining the armed forces for our nation. He also shown many videos and images of Indian Coast guards

Beach Cleanup on World Beach Cleanup Day

Date	17th September 2022
Location	Bandstand Bandra
Hrs. allotted	6 Hours

My Green Society, students and the faculty members participated in the beach clean-up event held on of International Coastal Clean-up Day (17th September 2022) by cleaning the coastline of Bandstand located in Bandra West. The clean-up took place for 2 hours till 9:00 A.M after which the participants were taken back to the fort and oath was taken which highlighted upon Avoid the usage of single use plastic products Sharing the possible solution of plastic pollution among the people.

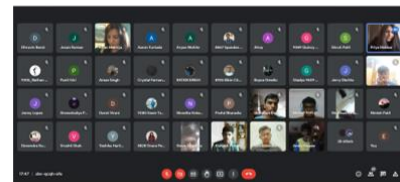

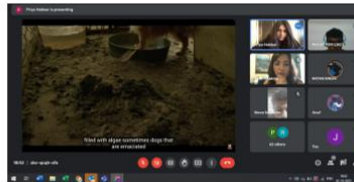

Handwritten signature

Webinar on Animal Welfare

Date	5th October 2022
Location	Online
Hrs. allotted	3 hours
No. of participants	discription dekho
Speaker	Miss Priya

The event was conducted in online session that was leaded by Miss priya. session gave volunese the insight to the problem of stray dogs and cats and also the harsh reality of the heinous acts which are inflicted upon this poor animals It was very helpful for our volunteers to get to know their social surrounding properly.

Food Fest on account of World Food Day

Date	13th October 2022
Location	Fr. Conceição Rodrigues College of Engineering
Hrs. allotted	15 Hours
No. of participants	27

On the account of World Food Day, our NSS unit organized a cooking competition which was named "MasterChef CRCE 2022". This competition was based on No-Fire. This Competition took place near the Old Canteen of our college. There were a total of 12 teams. The judge for the MasterChef was Deepali Bhise, Gauri Jagushte, Deepika Singh, and Gajendra Singh. All the teams were judged by the judges and the winner was declared. All the College students were invited to taste the food.

Prithvi

NSS Special Camp

Date	12-18 January
Location	Tandulwadi, Naik foundation
Hrs. allotted	
No. of participants	32
Special	

NSSxCRCE Organised the special NSS camp between 12-01-2023 to 18-01-2023 at Saphale Station's Tandulwadi village adopted by Fr. Conceicao Rodrigues College of Engineering, Bandra. The annual camp was organised to help better understand the ground level situation in the village and thereby helping the local Zilla Parishad School

Street Play on account of Republic Day

Date	25 January 2023
Location	Fr. Conceição Rodrigues College of Engineering
Hrs. allotted	3 Hours
No. of participants	14

The street play highlights the situation of women and young girls in India and strives to let women have autonomy over themselves. Women are taught to live for others but it's time we realize the need for independence of women too. It proposes people to rethink their patriarchal views on women and start seeing them as an individual capable of rational thoughts and decision making.

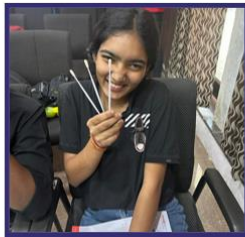

Signature

Seminar about Stem Cell Donation and Donor Registration

Date	7 February 2023
Location	Fr. Conceição Rodrigues College of Engineering
Hrs. allotted	5 Hours
No. of participants	57
Speaker	Resham Ghosh

Seminar on awareness of stem cells with DKMSxMBST registering to be blood stem donar , the chance to give a patient diagnosed with blood cancer or a blood disorder a second chance at life.

Blood Donation with Holy Family Hospital

Date	14 February 2023
Location	Fr. Conceição Rodrigues College of Engineering
Hrs. allotted	5 Hours
No. of participants	56
Speaker	Holy family Hospital

Resham Ghosh

CIRCULAR OF INTERNAL COMPLAINT COMMITTEE

Date : August 2, 2022

CIRCULAR

To
Faculty and Staff Members

Sub.: Re-constitution of Internal Complaints Committee (ICC) (Gender Sensitisation Prevention and Prohibition of Sexual Harassment of Women Employees and Students and Redressal of Grievances in Technical Institutions)

Ref.: 1. AICTE Notification No.F-AICTE/WH/2016/01 dated 10.06.2016
2. University of Mumbai Circular No.CONCOL/24/of 2014-15 dt. 12.11.2014

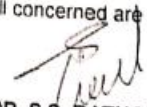

In compliance with the above referred AICTE Notification and the Circular received from University of Mumbai, the management has nominated the following as members of 'Internal Complaints Committee' under the above Act :

S.No.	Name of the Member	Designation	Contact Nos.	Email Address
1	Prof. Merly Thomas Associate Professor – Computer Engg.	Presiding Officer	9820755087	merly@frcrce.ac.in
2	Prof. Binsy Joseph Associate Professor– Electronics Engg	Member Faculty	9833503363	binsy_joseph@frcrce.ac.in
3	Prof. Sushma Nagdeote Assistant Professor– Info. Tech. Dept.	Member Faculty	8879626260	sushman@frcrce.ac.in
4	Mr. Robert Dias, Office Superintendent	Member Non-Teaching	9730943327	dias@frcrce.ac.in
5	Mrs. Jyoti Kargutkar, Lab. Technician	Member Non-Teaching	9867724555	jyoti@frcrce.ac.in
6	Mr. Tarasingh Raggal	Member Student	9082343049	taranrajpal11@gmail.com
7	Mr. Anthony Benno	Member Student	9137811659	bennoanthony4@gmail.com
8	Ms. Mugdha Zope	Member Student	9923207636	mugdhadzope@gmail.com
9	Rev. Fr. Joe H. Pereira Founder & Managing Trustee – Kripa Foundation, Bandra	Member - NGO	9820199298	kripabandra@gmail.com

The Presiding Officer and members of the above 'Internal Complaints Committee' will hold the office till 31st July 2023.

We have displayed a copy of the Gazette of India consisting of AICTE (Gender Sensitisation Prevention and Prohibition of Sexual Harassment of Women Employees and Students and Redressal of Grievances in Technical Institutions) Regulation 2016 on our website for information of all concerned. We have also displayed University of Mumbai Circular No.CONCOL/24/of 2014-15 dated 12th November 2014 for reference.

All concerned are requested to note the above.

**MINUTES OF THE MEETING OF THE
COLLEGE DEVELOPMENT COMMITTEE HELD ON
18th JANUARY 2023 AT 02:30 PM IN THE CONFERENCE ROOM OF
FR. CONCEICAO RODRIGUES COLLEGE OF ENGINEERING**

.....

The following members were present:

1. Fr. Valerian D'Souza (in the Chair)
2. Fr. Trevor Pereira
3. Dr. Shubha Pandit
4. Dr. Sapna Prabhu
5. Dr. Sunil Surve
6. Dr. Bhushan Patil
7. Dr. Jagruti Save
8. Ms. Garima Tripathi
9. Mr. Deepak Gaikwad
10. Mr. Anthony Benno
11. Dr. S.S. Rathod – Member Secretary

Fr. Bento Rodrigues was unable to attend the meeting. In his absence, Fr. Valerian D'Souza presided over the meeting. He greeted and welcomed all members to the meeting.

Fr. Valerian was pleased to introduce Dr. S.S. Rathod to the members as a newly appointed Principal of the college from 1st July 2022 and this being his first College Development Committee meeting. Members greeted and welcomed the new Principal

Fr. Valerian asked Principal to take the meeting forward as per the agenda.

Item No.1 : Approval of the minutes of the College Development Committee meeting held on 30th March, 2022 :

Principal read out the minutes of the last meeting and the same was reviewed and approved by the members.

Item No.2 : Academic Calendar for the current Academic year 2022-23 :

Principal gave the details of the Academic calendar for 2022-23 presented in the report. Dr. Sapna apprehended that the dates of Annual Day Function – Euphoria and NAAC Audit dates may clash and therefore members held discussion on shuffling the days of students events. Fr. Valerian questioned as to why the Student event Athlos is being held during this heavily loaded Semester. He advised that in order to avoid overloading of technical events and cultural events in same semester, they be planned in different semesters and the Crescendo being a technical event be given more preferential importance. Principal replied that next year Euphoria will be planned at the commencement of the Semester.

...2/-

: 2 :

Item No.3 : Admissions details 2022-2023:

Principal apprised that there will not be any changes in courses or its intake capacity next year as it was done in the previous years. He pointed out that this year no candidates have applied for PG Courses. Dr. Shubha explained that most of the undergraduates passing out prefer taking up jobs and those interested in pursuing higher studies apply with foreign universities. Only candidates in teaching profession apply for PG Courses and most of them have already completed their PG Courses and are trying for Ph.Ds. As a result demand for PG courses has steadily decreased.

Principal informed that our college have applied for new Ph.D Research Centre in Computer Engineering. Members sought clarification on whether PG Course is necessary to uphold affiliation of Ph.D course. Dr. Shubha suggested that the course can be continued with zero intake without its closing. For sustainability of ME & PhD courses, partial fees for the deserving candidates can be waived off i.e. the course can be declared fee waiver. Dr. Bhushan informed that there will be additional requirement of 2 faculty members to run PG Course.

Principal stated that fee proposal for Academic Year 2023-24 has been forwarded to the Fee Regulating Authority for its approval.

Item No.4 : Review of University Examination Results –May 2022

Members were happy to note that even though the examinations were held offline, overall final year passing out results of all branches were good.

Item No.5 : Achievements 2021-22

Principal mentioned that numerous students chapters are formed in the college and every student is enrolled or is a part of one of these chapters. Members were happy to note the institute achievements and performance in various state - national level competitions

Item No.6 : Extra-curricular and Co-curricular activities:

Principal stated that a wide range of students curricular and extra-curricular activities are carried out during the year and prominently cited the state level Debate Competition and TEDxCRCE Annual Conference being hosted successfully.

Dr. Surve expressed that various cluster activities are held under prominent events such as Euphoria, Crescendo. Separate documentation viz., Notices, banners be prepared for each of this activity in order to showcase them for NAAC, NBA purpose.

Item No.7 : Staff development report 2022-23 :

Principal apprised members that a Research Promotion Policy for faculty has been framed and is in place.

Dr. Surve cited that as per NAAC criterion every faculty is required to publish atleast 2 papers in a year. Dr. Shubha supported that the publication of good quality research paper is desirable. Students also need to be encouraged for paper publications.

... 3/-

Item No.8 : Placement details 2021-22 & 2022-23 :

Principal informed that placements for current academic year 2022-23 are in process. Members observed that placements in Production and Mechanical Engineering branches are very less. Dr. Bhushan, HOD responded that students are not appearing for placements. Mr. Anthony Benno explained that students aspire for core or high pay package jobs and if they fail to secure them, then they prefer to pursue with higher studies in foreign universities for upskilling of their employability skills. Dr. Sapna expressed the necessity of Counselling / interactive sessions or workshops with students to persuade them for placement processes. Dr. Shubha opined that students not appearing for placement processes be declared as not interested or a written declaration to the effect can be sought from them.

Item No.9 : Budget estimates for the year 2022-23:

Budget figures for the years 2021-22, 2022-23 and budget estimate for 2023-24 were presented. Members reviewed and ratified the same.

Item No.10 : Any other items with the permission of the Chair:

Students Council Secretary, Mr. Anthony Benno expressed his appreciation for the management support extended for all the students activities carried out in the college.

Fr. Valerian specially thanked Dr. Shubha Pandit for taking out time from her busy schedule for this meeting.

He thanked members for their active participation and valuable inputs.

The meeting ended with Vote of Thanks to the Chairman and the members.

Minutes of the IQAC Meeting

Minutes of the IQAC Meeting held on September 27, 2022 at 2.00 pm in conference Room

Following staff members have attended the meeting:

1. Dr. Surendra Singh Rathod
2. Dr. Sunil Surve
3. Dr. Sujata Deshmukh
4. Dr. Sapna Prabhu
5. Dr. Bhushan Patil
6. Prof. Monica Khanore
7. Prof. Supriya Kamoji
8. Prof. Shilpa Patil
9. Dr. Vasim Shaikh
10. Prof. Prasad Lalit
11. Prof. Deelip Chandra

Dr. Sunil Surve welcomed all the staff members.

Agenda 1: Insights and Analytics of NIRF

Prof. Supriya Kamoji started the presentation with the importance of NIRF and continued with the parameters used for evaluation of NIRF ranking. It was followed by detailed analysis of 3 years. Institute performance was compared with the peer institutes. Some interesting facts were revealed such as 4 NITs were scoring less in one of the parameters the NIRF. Finally, SWOT analysis was discussed and discussion was held on improving the ranking next year.

Following the areas of improvement were noted down and Principal sir suggested to work upon:

- **Improving Perception-**
 - Institute website needs urgent attention
 - Presence on social media- Mainly through various student bodies
 - Branding CRCE- Sign Board with Advertisement Board (Revenue generation)
- **Placement & Higher Studies**
 - Data collection mechanism for off-campus placements & higher studies
- **Research & IPR**

- Immediate action to be taken to increase faculty/student publication- One per year indexed in scopus/ UGC care/ WoS journal
- Funding for research projects (AICTE, DST, ISRO, UGC etc)
- Incentives for patents publishing/granted.
- Quality publication: citation
- Motivate students to file patent publication

Institutional Reforms

- **Outreach Initiatives**

- Organize CEP (Continuing Education Programs) courses – Live stream on publicity to increase the visibility
- Content writing, media reach
- Managing brand on social media
- Hostel facility to attract students(girls) from other states for PG

- **Research & Consultancy Cell**

- Facilitating research, consultancy, IPR activities
- Conducting workshops on research grant proposal and follow up

enda 2: Finalization of process Manual

Due to lack of time, it was decided to discuss it in the next meeting.
meeting ended with thanks to the chair.
